Faithful in a Hostile World

Church Alive Series

Text: Acts 7:1-60

1. Faithfulness is _____ before the crisis.

2. Faithfulness remains rooted in _____.

3. Faithfulness tells the truth when the truth is _____.

4. Faithfulness fixes its eyes on the _____.

5. Faithfulness leaves the _____ with God.

Personal Application:

1. **Formed before the crisis** – What ordinary, unseen habits (Scripture reading, prayer, honesty in small things) am I neglecting that would leave me unprepared if a real test of my faith came?

2. **Rooted in God's story, not my structures** – Is there a tradition, program, or "the way we've always done it" that I defend more passionately than I proclaim the gospel?

3. **Truth when it's unwelcome** – Is there a sin I'm defending, an apology I'm withholding, or a relationship I'm avoiding because repentance would be painful?

4. **Eyes fixed on the reigning Jesus** – When I'm mistreated or opposed, where do my eyes go first — toward the offense, or toward Christ? What would change if I truly believed He is reigning right now?

5. **Leaving results with God** – Where am I tempted to stay silent or compromise because I can't see how faithfulness will "work"? Who is the "Saul" in my life that I've written off, but God may still be at work in?
